Hi Brady,

Thanks for the patience. I consider your Notice to be complete. We also received your permit fee, thanks. The following items are needed before we can issue a small mine permit:

- 1) **Reclamation contract.** (attached). This contract will need to be notarized and filled out correctly. Let us know if you have questions.
- 2) **Cultural resources clearance.** Usually this is done through the BLM for mining on BLM lands, so we will await their notification that cultural resources have been taken into account.
- 3) **Reclamation surety.** I will be communicating with Daniel White (BLM, cc'd) regarding an appropriate bond amount. Once we come up with an agreed-upon amount, we'll let you know. Contact Penny Berry (801-538-5291) with questions regarding acceptable types of bonds.

Thanks. Let me know if you have questions.

Peter
